

The Arc of Riverside County and the NineZero Games present:  
**The World\* Service Club Challenge**  
October 11, 2008

Oak Valley Golf Club, Beaumont, CA -  
One of the best courses in Southern California!

Win \$1,000 for your most deserving service project and be crowned **“The Best Service Club Golfers in the World\*”**

The Arc of Riverside County is privileged to present one of the most ambitious event fundraisers ever held in Riverside County and are grateful to the wonderful folks of (**your company name here**) for making this contest within our golf tournament possible. Our event benefits the Arc and their NineZero prevention project. The mission of this project is to prevent the number one cause of mental retardation and other developmental disabilities in our county.

**Here's how your club can participate:**

- All service, business and professional clubs in the Inland Empire are invited.
- Sign up a foursome from your club (at least two players must be members; can have more than one team).
- Pay the regular foursome entry fee.
- Host a free table at our NineZero Games to promote your favorite project or sign-up members.
- All service club entries must be completed (with entry fees) by October 4, 2008.
- A \$1,000 prize goes to the winning service club team.
- Complete the service club registration form and return.

We will announce the winner at the dinner following our golf tournament. Representatives from our sponsor and the Arc of Riverside County will visit your club at a regular meeting and present you with your check and the **World Service Club Challenge** trophy.

**Note:** The service club with the highest score will also be acknowledged for their effort. They won't get our money, but they'll have something almost as good - our pity.

\*Our little *corner* of the world, that is.
